

THE SPA

AT THE ALGONQUIN

Our mission is to exceed our guest's expectations each and every day. The Spa at the Algonquin is a retreat into pure relaxation, offering world-class services in an environment of Maritime warmth. We offer experiences to heal and restore the mind, body and spirit.

OLD WORLD CHARM, HISTORICAL TREASURES

The Spa at the Algonquin is locally owned and operated with a team of professionals dedicated to living our mission on a daily basis. As an Aveda Concept Spa / Salon, we use products that merge the science of performance-driven plant-based skin, body, and hair care products with the art of high touch experience to offer a comprehensive menu of services and treatments that are customized based on your specific needs. The result: a holistic spa experience that incorporates wellness and balance to generate mind and body recovery. ~ Jessica Corning, Owner

Aveda's Plant-Powered Alternatives to Microdermabrasion and Chemical Peels

Dual Exfoliation Peel

A non-invasive, skin renewing treatment. Using innovative techniques, this treatment combines Aveda's naturally derived mechanical and biochemical exfoliation methods into one powerful service that transforms and rejuvenates the skin through the process of dual exfoliation. The treatment delivers immediate, visible results in improved skin texture, clarity and radiance; smoothed appearance of lines and wrinkles; and refined pores, revealing fresher, younger-looking skin. In a clinical study, the Dual Exfoliation Peel achieved better results than a combined microdermabrasion/ 30% glycolic peel treatment in both immediate smoothness and radiance, plus significantly better results in smoothness, radiance in skin tone one week later.

Botanical Skin Resurfacing Treatment

Go beyond microdermabrasion, and energize your skin with a professional customized facial treatment that helps smooth skin texture and reduce the appearance of fine lines and pore size while significantly increasing radiance all with less redness and irritation than a microdermabrasion procedure.

Perfecting Plant Peel

Advancing the science of chemical peels, this professional treatment helps retexture skin, smooth lines and wrinkles, even skin tone, refine pores and restore radiance. Safe for acneic skin conditions, The Perfecting Plant Peel can be performed as a stand alone treatment or added to any other customized facial treatment anytime skin needs the exfoliation and radiance benefits of a 30% glycolic peel procedure with less of the associated redness and irritation.

Men's Customized Facial

A classic customized facial that treats the needs of men, like dryness from shaving, stress, ingrown hairs and razor burn. He will love this deep cleansing, detoxifying, exfoliating, and massaging facial.
